

# Senior Landscape Planner (LVIA Specialist)

Logika Group

Location: Bristol or London

## Role Location

The role would be office based in Bristol or London (or hybrid home/office based in either of these locations). Occasional travel may be required for specific project needs such as meetings or site visits.

## The Company

Logika Group is the UK's leading independent environmental consultancy, underpinned by a growing team of experts in environmental policy, strategy, design, and assessment.

With offices in London, Bristol, Warrington, Brighton and Belgium, Logika Group comprises of four specialist sister companies: Logika Consultants, Air Quality Consultants, Noise Consultants and Logika Europe with the Environmental Policy and Economics team working horizontally across the Group.

Over the last 30+ years, we have achieved sustained growth and honed our provision of high-quality services, while securing a large volume of repeat business from satisfied clients.

As such, we pride ourselves on being able to:

- Service a wide range of our clients' needs.
- Employ the best people to provide the highest quality advice.
- Provide a personal service.
- Deliver innovative cross-disciplinary solutions.
- Respond quickly and efficiently.
- Offer value for money.

With a proven track record of success, Logika Group has been involved with UK Government expert groups and European Commission working groups, provided expert evidence at Public Inquiries, and helped clients gain planning consent for thousands of projects.

## The Role

We have an exciting opportunity for a Senior Landscape Planner to join our landscape team. This role represents a great opportunity for you to develop your career, contributing to a wide range of landscape planning projects across a variety of sectors - including commercial, infrastructure and energy at various stages of the planning process.

Your responsibilities will include carrying out landscape/townscape and visual impact assessments and providing strategic analysis and detailed design advice. You will have a client-facing role with responsibility in terms of managing project teams and project delivery.

This is an exceptional opportunity at an exciting time both for our business and for environmental consultancy. With us, you will be involved at the heart of the team and will play a key role in the delivery of our work. You will work in a friendly, supportive environment and will be given one to one support, mentoring, learning and development via experienced colleagues. External training will be provided where required.

We are currently seeking a senior grade consultant (approx. 5-8 years' experience) but would consider more junior and senior roles for the right candidate.

### **Skills and experience we are looking for**

Candidates will need to be able to work on their own and as part of a team, sharing responsibility for the management of both projects and staff.

### **Key Skills**

Ideal candidates will be able to demonstrate experience in all or most of the following:

- Demonstratable skills in landscape / townscape / visual appraisals & assessments.
- Good knowledge of the UK planning system, planning guidance and policy context.
- Site experience.
- Technical skills and proficiency in Autodesk, GIS software and Adobe Creative Suite.
- Fluent spoken English with excellent verbal, written and graphic communication skills.
- Full UK driving licence.

Qualifications:

- Degree level qualification in Landscape Architecture or recognised equivalent.
- A Chartered member of the Landscape Institute or on the P2C.

### **What we offer**

We are a growing Group of companies that wants to do things differently, with an exciting future that will help you shape and realise your ambitions. You will have a great opportunity to work with a talented and dedicated team and be able to develop your career as the company grows.

Alongside a competitive salary, we offer a range of formal benefits and training, and development programmes to enhance employee satisfaction and professional development. These include, an enhanced pension scheme, private medical insurance, competitive annual leave entitlement which grows with length of service, additional annual leave purchase scheme, rail and bus season ticket loans, cycle scheme, group life assurance, staff training and CPD programme, employee recognition awards, social value programme and more.

Furthermore, we ensure we can support our employees through offering wellbeing programmes and policies that support individuals. These include flexible working, trained mental health first aiders, and readily available support through our Employee Assistance programme.

Logika Group's Equal Opportunities Policy is to ensure that no applicant receives less favourable treatment on the grounds of age, disability, gender, reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

## Our Values

Logika Group is underpinned by three clear values – **Community, Collaboration and Professionalism & Integrity** - developed by our staff members to reflect our shared principles, approach to our work and positive company culture.

## How to apply

Please apply using the application form on our website – [www.logikagroup.com/careers](http://www.logikagroup.com/careers). If you have any questions on the role and/or group, then send them through to [careers@logikagroup.com](mailto:careers@logikagroup.com).
