

# Flood Risk and Drainage

Graduate Consultant/Consultant

Logika Consultants Limited

Location: Warrington

## Role Location

The role is Warrington based but we also encourage a balance of working from our offices and working from home.

Full or part-time hours will be considered.

## The Company

Logika Group is a leading UK-based independent environmental consultancy, underpinned by a growing team of experts in environmental policy, strategy, design, and assessment.

With offices in London, Bristol, Warrington, Brighton and Belgium, Logika Group comprises of four specialist sister companies: Logika Consultants, Air Quality Consultants, Noise Consultants and Logika Europe with the Environmental Policy and Economics team working horizontally across the Group.

Over the last 30+ years, we have achieved sustained growth and honed our provision of high-quality services, while securing a large volume of repeat business from satisfied clients.

As such, we pride ourselves on being able to:

- Service a wide range of our clients' needs
- Employ the best people to provide the highest quality advice
- Provide a personal service
- Deliver innovative cross-disciplinary solutions
- Respond quickly and efficiently
- Offer value for money

With a proven track record of success, Logika Group has been involved with UK Government expert groups and European Commission working groups, provided expert evidence at Public Inquiries, and helped clients gain planning consent for thousands of projects.

## The Role

We are seeking a Flood Risk and Drainage Graduate Consultant/Consultant with appropriate qualifications

to join our team, ideally with 2+ years' experience preparing FRAs and Drainage Strategies. This is an exciting opportunity to join a forward-thinking solution focused environmental consultancy with sustainability at its heart.

### Key Skills

- Ability to recognise and communicate flood and drainage related constraints and opportunities at development sites.
- Experience producing FRAs and drainage strategies.
- Good knowledge and experience of InfoDrainage (or other drainage modelling software).
- Ability to use AutoCAD and GIS.
- Good knowledge of the planning system, in particular flood related policy and guidance such as the NPPF and SuDS Manual.
- Awareness of project management and good communication skills.
- Ability to write clear and concise reports.

Some knowledge of Tuflow, Flood Modeller, FEH or river restoration would be a benefit, but is not essential. Applicants considered on an equal footing irrespective of this.

### What we offer

We are a growing Group of companies that wants to do things differently, with an exciting future that will help you shape and realise your ambitions. You will have a great opportunity to work with a talented and dedicated team and be able to develop your career as the company grows.

We ensure we can support our employees through offering wellbeing programmes and policies that support individuals. These include flexible working, trained mental health first aiders and readily available support through our Employee Assistance programme.

Furthermore, along with a competitive salary, we offer a benefits package which includes an enhanced pension scheme, death in service life cover, discretionary bonus scheme and much more.

Logika Consultants Equal Opportunities Policy is to ensure that no applicant receives less favourable treatment on the grounds of age, disability, gender, reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

### Our Values

Logika Group is underpinned by three clear values – **Community, Collaboration and Professionalism & Integrity** - developed by our staff members to reflect our shared principles, approach to our work and positive company culture.

### How to apply

Please apply using the application form on our website – [www.logikagroup.com/careers](http://www.logikagroup.com/careers)

If you have any questions on the role and/or group, then send them through to [careers@logikagroup.com](mailto:careers@logikagroup.com).
